Anderson Vacations is happy to announce the release of their **2010 Fully Escorted Touring Brochure**. With new and exciting tours, as well as old favorites, this brochure is sure to have a tour to match every tour clients needs.

Anderson Vacations draws upon its Alberta roots and are offering a wide array of Alberta short stay tours to Banff, Jasper, Waterton, Cypress Hills, Fort McMurray, Lake Louise and Kananaskis! Many of these shorter trips are guaranteed departures and are run each year with multiple busses due to their immense popularity. Make sure clients book early to avoid disappointment!

For clients looking to take in and experience the best of British Columbia, Anderson's is offering a record number of tours to BC including ones to the Okanagan, Vancouver Island, Vancouver, Salmon Arm, Sun Peaks and Whistler.

Many Canadians think in terms of travel across Canada as East to West but the pristine natural beauty and wildlife of Northern Canada have much to offer. Kayak with Beluga whales in Churchill, or for the really adventurous take a dip in the Churchill River and snorkel with the friendly and curious whales. Once October or November arrive Churchill becomes the "Polar Bear Capital of the World" as these arctic giants begin their annual pilgrimage back out onto the ice for the winter. Experience the history and heritage of 'The Land of the Midnight Sun' during the Summer Solstice Tour to Yellowknife and the Northwest Territories. With Guaranteed Departures on our Alaska & Yukon Tours, clients can take in some of the most impressive sites of both Canada and the USA on one tour and cap it off with an Alaskan cruise at the end. For travelers wanting to head out to the East Coast or take in all that Canada has to offer Anderson is once again offering our popular Cross Canada, Maritimes and Eastern Canada Tours.

Anderson Vacations also offers a wide array of International tours to the United States and abroad. Travel to the land Downunder with a tour of Australia and New Zealand, or celebrate 'the King' himself with the Elvis Tribute Tour in August.

No matter what your client's budget, tastes, or destination preference Anderson Vacations is sure to offer something for everyone. We are thrilled about the 2010 Escorted Tour Brochure, and we would be happy to share it with you. Make sure to request one today.
