

FOR IMMEDIATE RELEASE

ANDERSON VACATIONS NAMED THE 110TH FASTEST GROWING COMPANY IN CANADA

Every year PROFIT 100 lists the fastest growing companies throughout Canada. 2009 was a tough year for business with a major recession and massive layoffs across the country, many businesses were happy just to make it through 2009 still in the black let alone worrying about growth and expansion. The Profit 100 list sought out the companies who not only managed to survive 2009 but thrive as well. Anderson Vacations was listed in the 110th spot in 2009 among companies across Canada.

PROFIT 100 ranks companies by looking at their growth over the past 5 years. That means companies need to sustain their growth and keep improving each year in order to make the list. Having one great year is not enough to be named to the list. Anderson Vacations moved up 47 positions from last year when they came in at 157. With a growth rate of 529% from 2004-2009 Anderson Vacations has done extremely well in the highly competitive travel business.

Anderson Vacations has managed to sustain continued growth by constantly improving, diversifying product lines and building strong distribution partnerships. Anderson Vacations has launched numerous product lines over the past 10 years including Canada Custom Travel Packages, SimpleRES Conference Reservation and Housing Management, Corporate Retreats, and the newest addition their South Pacific custom product line and wholesale air desk.
