ANDERSON VACATIONS EARLY BOOKING BONUSES PROVE A SUCCESS

It has been just 2 short weeks since Anderson Vacations released their 2010/2011 Fully Escorted Touring Catalogue. In that time Anderson Vacations has seen a phenomenal response to their early booking bonuses on escorted tours. Clients are excited to take advantage of these great offers and are making bookings well into the latter part of 2010 already.

Almost every tour in the 2010/2011 Escorted Touring brochure has an early booking bonus ranging from \$20 - \$200 dollars depending on the duration and price of the tour. This is a great value for clients looking to travel this year. Anderson Vacations offers a comprehensive list of tours within Canada and around the world for the mature traveler. Everything from short breaks in the Rockies and comprehensive Cross Canada Tours to relaxing winter getaways in Palm Springs.

In order to redeem the early booking bonus clients need to book 60 - 90 days prior to departure depending on the tour. With April departures quickly approaching now is the time to book to make sure your clients can take advantage of these great offers.

Save \$40 per person on the April 22nd Spokane Shopping Tour, a fantastic value when you consider the tour is only \$400 per person based on double occupancy. Or escape to beautiful British Columbia this spring with the Great Escape to Victoria departing April 12th or 19th. Save \$50 per person if booked 60 days prior to departure.
