## Beautiful British Columbia

British Columbia is a land blessed with amazing diversity.

This means there is an equally amazing variety of places to see and things to do. Mountains to gaze at or climb. History and art to discover. Endless beaches to comb. Cosmopolitan cities to explore. Moss-carpeted rainforests to hike. Sensual spas and tantalizing gastronomic delights to indulge in. Warm-water lakes to play in. Rivers to ride. And so much more. All of this variety is neatly arranged into six regions, each with its own intriguing differences and unique attributes.

## BRITISH COLUMBIA and the OLYMPICS

**History:** In the 1960s, the Vancouver-Whistler region began its quest to host the Olympic Winter Games. In 1970, the region was accepted as a finalist to host the 1976 Olympic Winter Games, which were eventually staged by Innsbruck, Austria. In 1998, the Canadian Olympic Committee (COC) selected Vancouver to present Canada's bid for the 2010 Winter Games. Over a five-year period, the Vancouver 2010 Bid Corporation developed a Games delivery plan with the vision of creating sustainable legacies for athletes, sport development, host communities and the Olympic and Paralympic Movements.

On July 2, 2003, members of the International Olympic Committee (IOC), at their 115th Session in Prague, selected Vancouver as the Host City of the 2010 Winter Games from a field of three Candidate Cities that included Salzburg, Austria and PyeongChang, South Korea.

**British Columbia - Host Province:** Located on Canada's west coast, the province of British Columbia (BC) is Canada's third largest province, covering 944,735 square kilometres. It has a vast and varied landscape, made up of coastal fjords, snow-capped mountain peaks, lush valleys and desert expanses. The province's major industries are tourism, fishing, mining, hydroelectricity and forestry, with the addition of industries such as eco-tourism, film and high-tech over the last decade.

British Columbia is known for its diverse population. More than 40 major Aboriginal cultural groups are represented in the region. The province's large Asian communities have made Chinese and Punjabi the most-spoken languages after English. There are also sizeable German, Italian, Japanese and Russian communities, all creating a vibrant culture.

**DON'T FORGET YOUR TRAVEL INSURANCE!**

We strongly recommend that you purchase travel insurance. We understand that when you are travelling you don't want to worry about a thing, but events can happen, even to well prepared travellers. You may have to cancel your trip at the last minute to tend to a family emergency or you may need medical assistance when you are away. Your baggage may go missing, or there may be damage to your personal property. We want to ensure that prior to, or while you are travelling you have the comfort of knowing you will be looked after in most unforeseen circumstances.

Why we recommend travel insurance:

- \* Protect your travel investment from unforeseen emergencies with Trip Cancellation and Interruption Insurance

- \* Protect yourself with Emergency Medical Insurance you can count on, no matter where you are travelling in the world

- \* Protect your valuables with baggage and personal effects insurance

Consider the following situations:

1. If I become ill or injured while travelling, will my personal health insurance cover my emergency expenses while travelling, including ambulance, x-rays, wheelchairs, prescriptions?
2. If my luggage was delayed could I manage at my destination for more than a day?
3. If I have to cancel my trip before travelling due to an injury would I receive a refund?
4. How much would a family member have to pay to come to my bedside if I was hospitalized for several days?
