

Calgary

Nestled in the foothills of the Canadian Rocky Mountains is a destination where uncommon energy transforms dreams into reality. Calgary, a young, vibrant city of over one million people, uniquely mixes cosmopolitan flair with genuine hospitality. Revitalize your spirit with the mosaic of experiences available to you in the city at the heart of it all. From a thriving arts and culture scene, and some of the finest dining, shopping and entertainment you'll find anywhere, we are a city alive with urban sophistication, world-class amenities, and an enduring spirit that says 'anything is possible here'

Calgary's modern image may be one of urban flair but its history is irrevocably linked to its western heritage and incomparable hospitality. The 'old west' is preserved at Fort Calgary, where the Northwest Mounted Police were stationed in 1875; at Heritage Park Historical Village, Canada's largest living history museum; at the Lougheed House and the Glenbow Museum which offers an excellent place to explore the heritage of Calgary and its surroundings - the Mavericks interactive gallery highlights many of the adventuresome (even incorrigible!) characters who played a role in local history, from ranchers to renegades. Of course, there's nothing like the 10 days of the Calgary Stampede for the ultimate cowboy excitement: it's the thunder of the chuckwagons, the explosive power of the rodeo events and the intricate skill of the dancers at Indian Village. It's a family-friendly event, including tractor pulls, agricultural shows - and don't forget the free pancake breakfasts throughout the city. And it's not just the cowboys. Our heritage encompasses the courage and culture of the Aboriginal peoples who have been here for some 10,000 years, and the explorers, pioneers, ranchers, and business barons who settled in Alberta over 125 years ago.

DON'T FORGET YOUR TRAVEL INSURANCE!

We strongly recommend that you purchase travel insurance. We understand that when you are travelling you don't want to worry about a thing, but events can happen, even to well prepared travellers. You may have to cancel your trip at the last minute to tend to a family emergency or you may need medical assistance when you are away. Your baggage may go missing, or there may be damage to your personal property. We want to ensure that prior to, or while you are travelling you have the comfort of knowing you will be looked after in most unforeseen circumstances.

Why we recommend travel insurance:

- * Protect your travel investment from unforeseen emergencies with Trip Cancellation and Interruption Insurance
- * Protect yourself with Emergency Medical Insurance you can count on, no matter where you are travelling in the world
- * Protect your valuables with baggage and personal effects insurance

Consider the following situations:

1. If I become ill or injured while travelling, will my personal health insurance cover my emergency expenses while travelling, including ambulance, x-rays, wheelchairs, prescriptions?
2. If my luggage was delayed could I manage at my destination for more than a day?
3. If I have to cancel my trip before travelling due to an injury would I receive a refund?
4. How much would a family member have to pay to come to my bedside if I was hospitalized for several days?
