Canadian FAM tours by Anderson Vacations a big hit!

May 26, 2008

Once again establishing themselves as a true Canadian travel specialist, Anderson Vacations – the One Stop Canada Travel Solution - has successfully completed their annual spring VIP Travel Professional Familiarization (FAM) tours in Canada.

Anderson's sixth annual Mountain Madness FAM took 30 travel professionals from all over North America around Alberta and the Canadian Rockies. Participants most enjoyed the Ice Explorer ride at the Columbia Icefields, the gentle raft trip in the Athabasca River in Jasper, as well as West Edmonton Mall and their authentic Calgary Stampede breakfast.

"This was the most fantastic FAM tour I have ever been on," states Gerry Cameron from All Travel and Cruise Center in Tampa, FL. "This FAM experience showed us how easily it is to visit many areas in the Alberta region without spending long hours driving. We realize now that there are activities for travelers of all ages!"

The third annual Ultimate Ontario & Quebec FAM saw 8 travel professionals enjoy the exploring Toronto, Niagara Falls, Ottawa, and Montreal. Tour included VIA Rail transportation, walking tours, and art galleries – truly a unique experience!

"The Ultimate Ontario & Quebec FAM tour allowed me the opportunity to learn about all there is to do in Toronto, Ottawa, and Montreal – things I never would have thought of," says Sherry Jaco, of Jaco Tours in Woodville, Mississippi
