

Saskatchewan

Saskatchewan may be many things, but flat and boring isn't one of them. In Saskatchewan we like to do things big! With 100,000 lakes and rivers, 137 breathtaking parks, 250 golf courses - the most per capita in North America - over 250 museums, never-ending expanses of untouched land, and, of course, our Living Skies, the possibilities are endless. Catch the big one, kayak, canoe or house boat on one of our many lakes and rivers. Learn the storied history of the Royal Canadian Mounted Police at our many historic sites and the RCMP Heritage Centre. Visit Saskatoon and Regina for great events, shopping and cuisine. Or, witness the spirit of Saskatchewan as it is reflected in the culture, history and traditions of our First Nations and Métis people.

UNFORGETTABLE MANITOBA

Welcome to Manitoba - land of untouched nature, majestic wildlife, rich history and vibrant culture. Discover the diversity of Manitoba's landscapes, from the pristine beaches on Lake Winnipeg, to the rugged beauty of the Canadian Shield, to the prairie's endless skies and golden fields.

In northern Manitoba make your way to Churchill, considered the polar bear capital of the world. Churchill is one of the few human settlements where polar bears can be observed in the wild. Spend quality time with the bears while on a tundra vehicle designed specifically for polar bear viewing. When summer comes to Churchill, so do thousands of birds, blooms and beluga whales. More than 3,000 of Hudson Bay's over 25,000 beluga whales visit the area. Listen for their high-pitched whistles, clicks and chirps. For the ultimate adventure, kayak or snorkel alongside these friendly and curious whales.

Experience Manitoba's history and culture in Winnipeg, a meeting place that goes back thousands of years. Explore the city's quaint corners and bustling centres. Connect with a mosaic of cultures at the province's best festivals, like Folklorama, the world's largest multicultural festival or le Festival du Voyageur, a winter celebration of the fur trading era.

DON'T FORGET YOUR TRAVEL INSURANCE!

We strongly recommend that you purchase travel insurance. We understand that when you are travelling you don't want to worry about a thing, but events can happen, even to well prepared travellers. You may have to cancel your trip at the last minute to tend to a family emergency or you may need medical assistance when you are away. Your baggage may go missing, or there may be damage to your personal property. We want to ensure that prior to, or while you are travelling you have the comfort of knowing you will be looked after in most unforeseen circumstances.

Why we recommend travel insurance:

- * Protect your travel investment from unforeseen emergencies with Trip Cancellation and Interruption Insurance

- * Protect yourself with Emergency Medical Insurance you can count on, no matter where you are travelling in the world

- * Protect your valuables with baggage and personal effects insurance

Consider the following situations:

1. If I become ill or injured while travelling, will my personal health insurance cover my emergency expenses while travelling, including ambulance, x-rays, wheelchairs, prescriptions?
2. If my luggage was delayed could I manage at my destination for more than a day?
3. If I have to cancel my trip before travelling due to an injury would I receive a refund?
4. How much would a family member have to pay to come to my bedside if I was hospitalized for several days?
