Saskatchewan

One of western Canada's Prairie Provinces, Saskatchewan is a destination rich with nature, history, outdoor adventure and urban flavor. Saskatchewan offers visitors endless freshwater fishing and water-based recreation opportunities, abundant wildlife, uncrowded parks, outdoor adventures like canoeing and horseback riding, farm vacations and fantastic golf. Tucked into the prairies here are rugged badlands, undulating sand dunes, pine-topped highlands and water-filled valleys. Up north, the ancient rock of the Canadian Shield angles across a vast boreal forest, where spruce and pine shelter close to 100,000 pristine lakes. Saskatchewan's festive towns and cities make the province's urban scene a great addition to any stay in the province. Our two largest cities - Regina and Saskatoon offer a breadth of popular attractions that include Wanuskewin Heritage Centre, the Berry Barn, RCMP Heritage Centre, Government House Heritage Property, museums, casinos and much more. A visit to one of western Canada's most popular mineral spa resorts, located in Moose Jaw, is a must and only gives you a

glimpse into some of the fantastic accommodation and spa offerings we have in our province. No matter what the interest, Saskatchewan offers something for everyone and of every age.

If you're looking for beautiful scenery, warm hospitality and a wide range of interesting and entertaining activities then you've come to the right place. You're invited to come discover what locals have known all along and what we would love for visitors to experience. Discover Saskatchewan – you just might be surprised at what you find!
