

Anderson Vacations Named to the PROFIT100 list of Canada's Fastest-Growing Companies

July 16, 2008

After multiple years of continuous triple digit growth, Marshall Anderson Tours Ltd. (operating as Anderson Vacations, Anderson Logistics, and SimpleRES) has been named #142 on the 20th annual PROFIT100 Canada's Fastest-Growing Companies listing, announced June 30, 2008.

"It is a tribute to the amazing amount of work put in by our staff, dedication to a common goal, and remarkable support from our supplier and DMO partners that has assisted us in achieving such incredible results year after year," says Corey Marshall, President/CEO of Anderson Vacations in Calgary. "To be acknowledged as a business leader in Canada, and to represent Tourism in that elite list is truly incredible."

The PROFIT 100 is a very tough club to join. It's not enough to have posted a hot year or two, because the ranking of Canada's Fastest-Growing Companies is based on [revenue growth over five years](#). Marshall Anderson Tours increase of 405% in total revenues between 2002-2007 is among the best for any travel/tourism-related business.

"Making the PROFIT 100 list is something that every employee can say they had a hand in achieving," states Seth Downs, Director of Sales, "and so this is truly a team accomplishment. To look back at where we have come from just 5 years ago is quite amazing."

Anderson Vacation is poised to ensure continued growth by the coming launch of a new destination and travel package line up to the South Pacific. Visit www.downundersolution.com
