### **Spotlight on... Alberta & British Columbia!**

The Labour Day weekend may mark the end of summer vacation season but the fall can be the best time to visit Western Canada! Whether you're planning a hiking tour or simply taking a scenic drive along the Icefields Parkway, September is a spectacular time for sunny skies and colourful mountain vistas.

Swathes of trembling aspen turn from electric green to deep yellow in the mountain valleys and, along the high treeline, sub-alpine larch put on a stunning display of colour before the snow flies.

Try one of these [Anderson Recommended Travel Packages](#) to experience the splendor for yourself this fall. Contact our Canada-specialists to customize your own Alberta & British Columbia travel package today - call toll free 1-866-814-7378!
