

**FOR IMMEDIATE RELEASE**

**ANDERSON VACATIONS OFFERS TRAVEL AGENTS 15% COMMISSION ON ALL SOUTH PACIFIC LAND BOOKINGS UNTIL OCTOBER 31<sup>ST</sup>!**

Anderson Vacations, already known for their service oriented reservation staff, specialist knowledge of the South Pacific, countless product options priced competitively including independent, escorted and custom group travel, and Air contracts with many of the South Pacific Airlines, are pleased to announce they are making the deal even more appealing to travel agent partners by offering **15% commission on all South Pacific Land bookings starting Tuesday September 8<sup>th</sup>, and running until October 31, 2009.**

That's right on all bookings from hotel nights to car and campervan rentals Anderson is offering travel agents 15% commission. These bookings can be for Australia, New Zealand, or any of the South Pacific Islands such as Fiji, Tahiti, or the Cook Islands. This offer combined with Anderson's superior service and wide range of products begs the question; why book the South Pacific with anyone else?

Corey Marshall President and CEO of Anderson Vacations describe the organizations decision to offer increased commission on South Pacific bookings "as a way to support our valued travel agent partners during the peak South Pacific booking period. Our Travel agent partners have helped our business to grow and succeed in the Canadian Marketplace, and we would like to share in this success. Travel agents are integral to our success as a business and we want them to know how much they are appreciated."

On top of the 15% commission incentive Anderson is also running their Cook Islands Agent Incentive. The eight agents with the highest sales to the Cook Islands will be going on a FAM to the tropical paradise next year.

With the launch of a new brochure with rates valid until 2011, increased commission rates and FAM trip opportunities there really has never been a better time to book with Anderson Vacations.
