SEARCH

Through the drop down menus you can search product by:

- **Country** – Australia, New Zealand or one of the Pacific nations – the choice is yours
- **Location** – a list of destinations drops down relative to your country search
- **Type** – Select from Accommodation, Sightseeing or Travel
- **Subcategory** – you can further refine your search by setting the specific product type e.g. B&B accommodation. We suggest you leave this field blank for smaller towns

- **Keyword Search** – if you know name of the product you want within the category e.g. Hilton type it in and, voila, you will just get a return on the database content wording 'Hilton' A great shortcut.
- **Date** – click on this field and up pops a calendar. The date represents the commencement date of your client's arrangements.

So let's create an Auckland accommodation and sightseeing experience in beautiful Auckland, New Zealand.

Some final comments. All costs are quoted gross in Canadian dollars. Please note that the costs may periodically change due to exchange rate movements. We will endeavour to give you adequate notice of any such changes. Note however that a strengthening of the Canadian against the Downunder currencies would reduce your clients costs, so it goes both ways.

The tool Downunder Product Finder is unique and we will continue to refine its functionality and ease of use. All your quotes are viewed by an experienced Downunder team member who can assist with any advice you may require. We are here to help. Rest assured your clients arrangements will be thoroughly discussed before any bookings are put in place.
