**FOR IMMEDIATE RELEASE**

**STILL SEATS LEFT ON FALL GUARANTEED DEPARTURES!**

Anderson Vacations still has a few seats left on some of their Guaranteed Departures tours this fall. Whether clients are looking for a mini break or a longer tour, Anderson has a tour to fit their needs.

If your client is looking for a short get away, why not send them to one of Alberta's beautiful National Parks. With guaranteed departures to Waterton Lakes National Park, The Fairmont Jasper Park Lodge and The Fairmont Chateau Lake Louise, Anderson has the perfect mini break for any client. Also, back by popular demand is the Fairmont Chateau Whistler Senior Celebration! With the Olympics in February 2010 there has never been a better time to visit Whistler and experience the Olympic atmosphere.

"Our Fall Guaranteed Departures provide an excellent opportunity to book clients on tours that are sure to go and ensure guests of a truly outstanding experience, said Corey Marshall, President/CEO. The tour line up this fall has a taste of something for everyone."

For clients looking to head south of the border, Anderson has several tours visiting the USA. Take in the spirit of Mexico with the New Mexico Balloon Festival, and visit such places as Albuquerque, Sante Fe, Taos and Carlsbad Caverns! Or send clients to one of the greatest natural sites in the world, the stunning and awe inspiring Grand Canyon. Finally for those clients looking for a more laid back trip, head for sunny California on Andersons' Oregon Coast and San Francisco tour, or The California Rose Parade. These tours are less than \$200 a day per person, including transportation, accommodation and sightseeing.

Looking for a last minute trip? There are still some seats left on Anderson Vacations' Cross Canada Tour and Maritime tours, departing in September but make sure to call today as space is limited! These are also GUARANTEED!
